For additional information, contact Tony Pakeltis at 312.930.5268

Opportunities for Participation

Next Steps

- Use input from tonight's meeting to help us screen alternatives
- Determine which alternatives will be studied in detail in the Draft EIS
- Evaluate alternatives carried forward in the Draft EIS. This will include detailed studies of all social, economic, and environmental issues, including noise, vibration, and air quality.
- Present the Draft EIS at public hearings in early 2013
